**Summary of Legislation:** This bill requires one member of a city housing authority to be a person directly assisted by the housing authority instead of a resident of the housing authority. It provides that in a city, town, or county, the commissioners of certain housing authorities do not have to include a person directly assisted by the housing authority.

**Effective Date:** July 1, 2002.

**Explanation of State Expenditures:**

**Explanation of State Revenues:**

**Explanation of Local Expenditures:** The bill has no fiscal impact since the number of members on the commission is not changed. The bill provides that if the housing authority has less than 300 units then the requirement that one member of the city housing authority be a resident or one member of town or county housing authority be directly assisted by the housing authority does not apply if the authority offers the opportunity for membership and no one applies or only administers federal Section 8 housing assistance.
